**Instructions for your consultative appointment:**

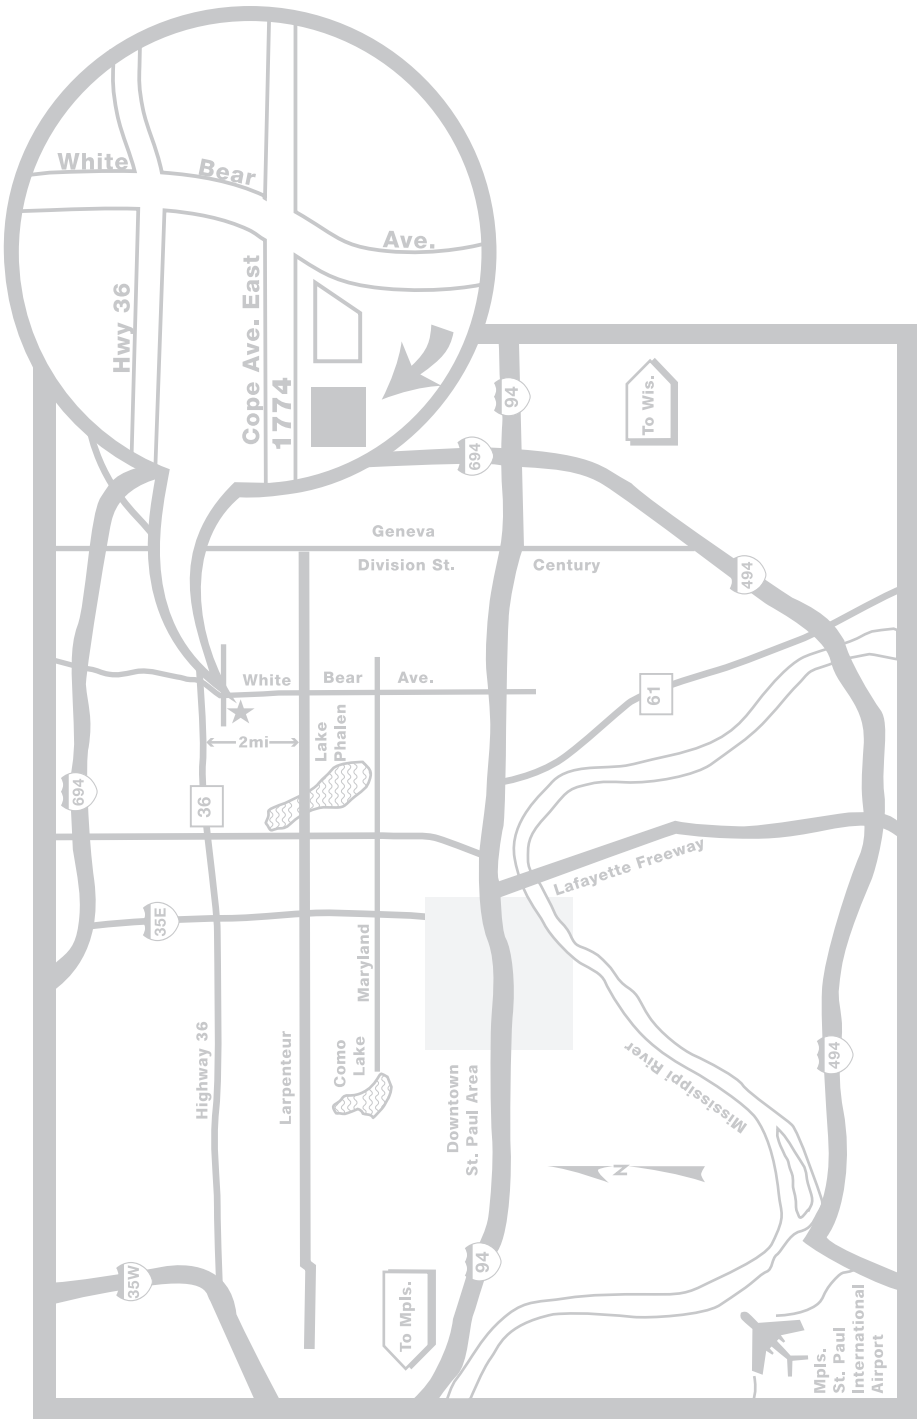

1. If you are taking any medications, please furnish the names, dosage taken, and how often they are taken.
2. Please bring your medical and dental insurance cards.
3. Please bring this referral with you.

**Pre-operative instructions for patients scheduled for surgery:**

1. Absolutely nothing to eat or drink (not even water) for 6 hours prior to surgical appointment if you are to receive an I.V. Sedation anesthetic.
2. You should not drive a motor vehicle for 16 hours after an I.V. Sedation anesthetic. A responsible adult must accompany you AND remain in the office during your appointment.
3. Please wear comfortable, loose-fitting, short-sleeved clothing.
